On the Occasion of Golden Jubilee year (2022-23) of Vasantao Naik Mahavidyalaya Aurangabad, Department of Chemistry in collaboration with IQAC has organized online one day National Seminar on Recent Advances in Chemical Science and Technology (NSRACST) on **4th March 2023**. The Seminar organized on Zoom and YouTube Platform. More Than 200 Students and Faculty members from different states registered for the Seminar and participated.

The Online National Seminar on Recent Advances in Chemical Science and Technology (NSRACST) has provided an excellent academic forum for the researchers, scientists, professionals and industry personnel to showcase the current trends in chemical research. The outcome of conference have enriched the young minds and motivated them to step towards the future chemistry. NSRACST has also provided an opportunity to listen and share vision with the leaders in the profession.

In this context, NSRACST have also provided an opportunity for the academicians, researchers, students, industrial personnel to interact among themselves apart from the interaction with eminent people in different areas of Chemical research. The Program of the NSRACST-2023 includes, invited lectures of eminent scholars from their respective field. We have deep sense of gratitude for all the delegates, resource person's for their overwhelming response.

Inaugural Function

The Online Seminar was inaugurated by Prof. Dr. Mazahar Farooqui (Ex –Dean of Science & Technology Faculty, Dr. B. A. M. U. Aurangabad). Shri. Nitinji Rathod (Secretary, V. N. S. P. Mandal Aurangabad) Chaired the Inaugural session. Prof. Dr. Mazahar Farooqui talked on the importance of green synthetic and eco friendly methods for synthesis of compounds and their applications, Use of nanomaterial, organometallic catalyst, Supramolecular chemistry in recent synthetic drug development method.

Chairperson of the session, Shri. Nitin Rathod remarked on role of Science and Technology for betterment of society and its advancement in different areas of chemical Sciences. National education policy also emphasize on critical thinking and skill development of the student. They also added ideas of the conference should be captured and to be submitted to the policy maker for implementation of it.

Dr. Jagdish Bharad (Convener) gave brief about the theme and aim of the organization of seminar. Principal Dr. Anand Chaudhary gave introductory remarks of Seminar. The compering of the

proceeding of inaugural function was made by Mrs. Talat Moneza. Dr. Balaji Madje introduce resource persons by brief introduction

The Resource Person of First Session, Dr. Rajesh Bhosale, Associate Professor & Head, Indrashil University Rajpur, Gujarat delivered a talk on topic 'Towards the development of florescent materials'. He explained the natural and artificial fluorescence, design, synthesis and characterization of such fluorescent materials.

In second session of the seminar Prof. Dr. D. T. Tayade, Govt. Vidarbha Institute of Science and Humanities Amravati delivered talk on Topic 'Today's Need of Interdisciplinary and Scientific Research. Dr. D. T. Tayade had explained high quality research requirements and need of interdisciplinary research in which it will be focus on green synthetic route. He focused on use of instrumentation techniques and physical studies for performing the research. The new concept to know the Physico-chemical, biological properties before synthezing a drug molecule. Dr. Tayade in his speech appeal to the delegates, participants, researchers to work for the welfare of the society and should serve for the country by carrying new invention during the research and also ask to stop cut-paste culture and give more stress on original work.

For Third Session, Dr. Bapurao Shingate, Associate Professor, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad delivered lecture on Topic 'Contribution towards click Chemistry: Medicinal Attributes'. He elaborated anti-tuberculosis, anti cancer drugs and their effects -toxicity for human. The process phases from discovery to manufacturing challenges faced by the scientist during micro scale process and encouraged the young budding scientists of the region to be courageous and hard working. Dr Bapurao Shingate focused on the development of click reactions with example, its biological activities and their medicinal uses.

Dr. J. J. Chamargore proposed vote of thanks and Seminar concluded by National Anthem.

Organizing Committee is very much Thankful to Principal Rajaramji Rathod (President, VNSP Mandal, A'bad), Shri Nitinji Rathod (Secretary, VNSP Mandal, A'bad), Principal Dr. Anand Chaudhary, Smt. Manisha Ghogare IQAC Coordinator and Administrative Officers for their encouragement and support.

An event of this magnitude requires detailed planning many months in advance and requires meticulous execution. I would say that our department colleagues Dr. J. J. Chamargore, Dr. B. R. Madje, Dr. S. V. Pedgaonkar, Mrs. Talat Moneza, Dr. D. B. Rathi, Dr. F. R. Chavan, Mr. S. N. Rajput, Mr. D. K. Kachkure and the non-teaching staff of the department

The slide is titled "Source of Inspiration" and features a central painting of Lord Ganesha and Lord Shiva. Lord Ganesha is depicted in a flying posture, holding a conch shell and a mace. Lord Shiva is seated on the ground, surrounded by a large crowd of people. The painting is framed by a decorative border. The slide also includes the IIT logo in the top left corner and a small video window of Dr. Rajesh Bhosale in the top right corner.

“MrutaSanjeevini”
and other 2 plants were **luminous** in nature, while *their light emission was enough to brighten the surroundings.*
