

Best practices 2021-22

Goal: Flag area has been a distinctive feature and consistent practice of the college prepared by National Cadet Corps (NCC) cadets based on certain theme on the occasion of Republic Day.

Title of the practice: A flag area displaying importance of corona vaccination was prepared by the NCC students to create awareness.

Objectives:

1. To generate awareness about importance of vaccination among the students and the staff the World calamity of pandemic.
2. To create sense of social responsibility and National character among the students
3. To inculcate Nationalism.
4. To build self esteem and confidence
5. To develop creativity.
6. To encourage active participation.
7. To elevate thought process.
8. To make the aware of the National, International and Social issues.

The context : The NCC unit has been extremely innovative in displaying the current issues through a unique practice called the flag area. To generate awareness about the current situation, the unit, under the guidance of the NCC officer, prepares a flag area that displays a picture of the major events that have taken place throughout the year. There is an abundance of leadership potential among the youth. The students can focus on their skills and abilities for self development in reaching higher altitudes and engage themselves in positive and constructive engagements. As a mission to promote the values of social service among the young minds, the NCC unit has been dedicating themselves to generate awareness about various issues apart from their regular training and camping activities.

Practice:

The practice started from the academic year 1990. Our college is the only institute in the state which prepares flag area on different Social, National, International issues and challenges. NCC cadets present this flag theme on the occasion of Republic day every year.

Forty NCC cadets of college unit are involved in the preparation of the flag area almost one week before 26th January. These cadets study the current National, International and Social Issues and discuss with the incharge and the Principal about the theme of flag area. This is finalized according to the priority of current situation. On Republic day, after flag hoisting and National anthem, a cadet of the unit briefs the theme of flag area in to the participants. This event is opened for all on 26th January every year.

Evidence of the success:

NCC cadets participated in this event with high spirit. NCC battalion appreciated this activity of students. This created confidence, responsibility and commitment among the students. This activity motivated the cadets to explore their skills and other talents throughout their NCC tenure. It is a unique and good practice, so it should be continued.

Problems encountered and Recourses **Required:**

We did not face any problem while executing the events.
