**Subject: Organizing Institutional Programmes/Workshops to Promote Women's Participation and Empowerment in Higher Education-reg.**

आदरणीय महोदया/महोदय,

The Government of India has framed and approved the National Education Policy (NEP) 2020 to transform the educational landscape into a multidisciplinary, inclusive and learner-centric ecosystem. The policy places high priority on enhancing quality, promoting gender inclusion, and ensuring access to education for all. Enhancing women's participation in higher education is not only a matter of equality but also a strategic imperative for accelerating India's growth story. Creating an accessible ecosystem for women in learning, innovation, and entrepreneurship is essential to ensure their contribution to nation-building.

In view of the above, institutions are requested to organize programmes / conferences/ seminars for girl students and women employees to promote gender sensitization, leadership development, and awareness on issues related to women empowerment. Members of the National Commission for Women, the Parliamentary Committee on Empowerment of Women, and Retired Senior Government officers, etc., may also be invited to participate in these initiatives.
